Let's Discuss*Rescheduling of Big River Discussions with Department of Interior PersonnelWilliam J. Keffer  
Chief, EP&R/SVANPaul M. Walker  
Acting Director, SVAN

We have rescheduled the planned discussion with Department of Interior personnel over the lead tailing situation in the Big River near Desloge, Missouri. The Department of Interior Regional Response Team members, Mr. Jim Kesel and Mr. Corlin Cook, have requested a meeting to discuss the potential use of 311K funds and/or Superfund for response and remedial actions at this site.

The meeting is scheduled for 10:00 a.m., March 9, 1981, at the Fish and Wildlife Service offices in North Kansas City. EPA will be represented by Mr. Keffer and a representative from ARHM/HAZM and ENFC/LEGL as requested by Mr. Rize.

Attached for your review are copies of some of the baseline data and correspondence concerning the Fish and Wildlife Service involvement in this area.
